Patience is not simply the ability to wait - it's how we behave while we're waiting. **Joyce Meyer**

Our creator is the same and never changes despite the names given Him by people here and in all parts of the world. Even if we gave Him no name at all, He would still be there, within us, waiting to give us good on this earth.

George Washington Carver

Waiting is a period of learning. The longer we wait, the more we hear about him for whom we are waiting. **Henri Nouwen**
