Belize Friends Ministries

Historically, FUM's work in Belize focused primarily on providing a second-chance education option for urban at-risk youth on the verge of failing within their school system. Founded by Sadie Vernon in 1994, the Belize Friends School gives boys and girls the encouragement, tools and instruction needed to succeed, all within a loving, Christian environment. Now under the leadership of Belizean educators, the school continues to impact the lives of students and their families.

More recently, a new and expanded vision for Belize has emerged and begun to bear good fruit. A large new facility allows for the growth of the school and the launch of new types of community-based ministries. With a church planting pastor now on-site, a multi-generational worshipping community of Christ-followers is starting to flourish and consider how they are being called to minister within the Southside of Belize City. Programs for teaching peace and conflict resolution, literacy education for adults, and police-community mediation are increasingly integral to the mission presence of Friends in Belize.

Message:

"Stories and the Kingdom of God"

Nikki Holland

Open Worship: In this time of open worship, Friends take time to center down, wait on God to provide ministry to your soul and see if God wishes to use you as an instrument of grace.

Hymn: "Let Your Heart Be Broken" #506

Benediction:

Postlude:

Thoughts For Reflection " "True godliness doesn't turn us out of the world, but enables us to live better in it, and excites our endeavors to mend it...Christians should keep the helm and guide the vessel to its port; not meanly steal out of the stern of the world and leave those that are in it without a pilot to be driven by the fury of evil times upon the rock of sand of truth."

(Quaker, William Penn)
