Message: By Terry Venable

Open Worship: In this time of open worship, Friends take time to center down, wait on God to provide ministry to your soul and see if God wishes to use you as an instrument of grace.

Hymn: "O Master, Let Me Walk with Thee" #487

Benediction:

Postlude:

Thoughts For Reflection:

"...theologies and symbols and creeds, though inevitable, are transient and become obsolescent while the Life of God sweeps on through the souls of men and women in continued revelation and creative newness. To that divine Life we must cling. In that Current we must bathe. In that abiding yet energizing Center we are all made one, behind and despite the surface differences of our forms and cultures. For the heart of the religious life is in commitment and worship, not in reflection and theory."
